

Mr. Boglino's
9th Hour Rules and Expectations

Always bring
SOMETHING to
work on that is
school related...

AR book, homework,
study guides, etc.

You are allowed to
use the computers
for school work only
- no random Internet
surfing or playing.

All computers should be turned off before you leave.

If you have a pass, you must
sign in and out of the room AND
go only where you are supposed
to go...no wandering.

You MUST have a pass to
leave 9th hour for any
reason (unless the office
calls you down). You can't
get a pass during this
time - get it during your
normal class time!

Work the entire period...
don't stop a few minutes
before the bell and sit and
wait for it!

Stay in your
seat.

No talking.

Behave.
